

## **6 Hours in the Basin Race**

### **Saturday, April 18, 2026**

Thank you for considering sponsorship of the [6 Hours in the Basin](#) mountain bike race, put on by the Santa Fe Fat Tire Society. All profits go to the [Commonweal Conservancy](#), the steward of the nearly 50 miles of singletrack in the Galisteo Basin Preserve.

#### **About the Race**

Come ride the fast, flowy singletrack at Galisteo Basin Preserve and help raise money to support the growth and upkeep of these trails. An endurance challenge for racers, and a mountain bike adventure party for everyone else, the 2026 edition of Six Hours in the Basin will kick off at 9 a.m. on Saturday, April 18.

The race course starts at the Cowboy Shack Trailhead and traces nine miles of the finest trails at GBP. Whether you choose to take the challenge solo or as a relay with a partner or team, the goal is to log as many laps as possible before 3 p.m. sharp. With a range of categories, discounts for juniors, food trucks, DJ, music, and awards, it's a full day of two-wheel fun and a great way to support our trail community.

#### **About the Santa Fe Fat Tire Society and Galisteo Basin Preserve**

Since 2012, the SFFTS has proudly partnered with the **Commonweal Conservancy**, to build and maintain over 48 miles of the privately owned trail system. The SFFTS regularly has Trail Workdays and has recently assisted in building over 20 miles of trail, participated in urgent repair work from flash flooding, and funded the installation of a weather station near the Cowboy Shack Trailhead to help riders check on conditions. Proceeds from this event go to the Commonweal Conservancy to help continue this vital work.

## Sponsorship Benefits

Last year's event drew 130 racers, and additional spectators to cheer riders along. This year our finish line will be even more vibrant with a DJ and food truck to amplify the excitement. Be part of the fun!

Sponsor Level	Donation	Recognition
Titanium (1 sponsor) (No longer available)	\$750	<ul style="list-style-type: none"> <li>• Sponsor logo on participants Race Number</li> <li>• Sponsor logo on T-shirts</li> <li>• Sponsor recognition and logo on SFFTS website and event website</li> <li>• Shout out thank you on race day</li> <li>• Recognition on race day info sheets</li> <li>• Event entry</li> </ul>
